

## COMPTON PARISH COUNCIL

### Feedback – Annual Parish Meeting April 2023

31 attendees, including council members.

2 volunteers for a playground working group.

<b>TRAFFIC CALMING – WHAT ARE YOUR THOUGHTS?</b>
<i>The blockramps sound to be the best option. BUT the roads leading from A3 to Compton (both) need speed limits in clear vision to reduce speed entering the village</i>
<ul style="list-style-type: none"><li>• <i>Crossing from Compton Club to Park Side</i></li><li>• <i>Speed cameras</i></li><li>• <i>Lorries – too big</i></li></ul>
<i>20 mph speed limit (maybe extension of 30mph zones outwith the 20mph area)</i>
<i>Gates at outer edges of village and speed tables</i>
<i>Smiley “your speed” interactive signs</i>
<i>Average speed cameras would be my preference. I certainly drive slower now on Hogs Back.</i>
<i>Average Speed cameras please</i>
<i>Average speed cameras</i>

<b>PLAYGROUND – WHAT WOULD YOU LIKE TO SEE</b>
<i>Natural wood play structure</i>
<i>Flooring</i>
<i>Better positioned seating</i>
<i>Flooring under swings are dangerous – concrete underneath. Please renew.</i>
<i>Roundabouts to work!</i>
<i>Zip wire/wood look</i>
<i>Tennis court</i>
<i>Outdoor table tennis table</i>
<i>Use part of the Green for car parking for the club and village hall</i>
<i>Better playground surface</i>

*Outdoor fitness equipment*

*Currently all swing seats are full of bird poo. Please clean.*

*New playground*

*Look at Puttenham Park*
