

Compton Parish Council

Village Hall report for CPC meeting 15 May 2019

At AGM on Monday 13 May:

Three new trustees were elected as well as all the existing trustees being re-elected or re-appointed.

4 appointees are representatives of Village organisations (Parish Council, Church, Village Association and CLT).

3 are elected (Chairman, Secretary and Treasurer), of which the last two have moved to Chichester but are continuing to serve pro tem.

Finances are good, and reserves continue to increase.

Use of the Hall is good – used almost every day, and very little trouble from hirers.

Hall is maintained and all equipment and decoration is kept up to date.

Safeguarding and Data Protection Policies were re-affirmed.

I reported that the Parish Council continues to lead a team to try to improve car parking available for events.
